CONSTRUCTION PRO

Applications:

PREMIUM 3-STAGE SOLID SKID STEER TIRE

Ideal for the most extreme OTR and construction applications. Extra deep tread allows for 3 to 5 times longer tire life vs pneumatic.

3-Stage 100% rubber construction:

- Ultra cut and wear resistant tread compound
- Heat resistant cushion center compound
- Pure rubber base compound
- Internal steel ring reinforcement eliminates wheel slip

ZERO maintenance solid construction:

- No flats due to punctures or sidewall damage
- No routine air pressure checks

Solid centerline provides smoother running on hard surfaces, and better chunk resistance on rough ground.
