AGRO-INDUSTRIAL RADIAL

All-steel-radial industrial tires designed for high traction in agricultural applications. Belt stabilized tread provides excellent stability and resistance to punctures and field hazards.

- Open center design for soft soil traction
- Reinforced lug centerline for hard surface grip and stability
- Self cleaning lug design
- Steel belts provide wide, flat footprint and protect from punctures
- Excellent lateral stability, ideal for Telehandler applications

Applications

Size	Alt Size	LI/SS	Type	Rim	O.D.		S.W.		T.D.		RC
